- Turn in this form to any coach with a check made out to Monte Vista Cross Country
- District pays for the head coach. Almost everything else is funded by parents. By state law, we cannot require a parent to pay in order for a student to participate. We can only ask for voluntary donations. Your donation of any amount is appreciated! We especially appreciate additional donations. Achieving budget soon through strong parent participation will remove the painful burden of financial worries on our coaching staff.
- Thank you for supporting MVXC!
